

Dokumentacija

Web Programiranje PHP 2

1.Uvod

1.1Koriscene tehnologije:

Javascript,jQuery,JSON,PHP,Laravel

1.2 Opis funkcionalnosti

1.2.1 Admin Panel

Korisniku koji ima ulogu admina dozvoljen je prikaz ovog dela sajta. On moze da izvrši dodavanje, menjanje i brisanje korisnika, stavki menija, kategorija, brendova, proizvoda, slika proizvoda. Moze da vidi akcije koje su vršili korisnici i u kom trenutku, kao i statistiku koliko je proizvoda prodato i koliko je zaradjeno novca.

1.2.2 Logovanje i Registracija korisnika

Omogućena registracija i logovanje korisnika. Prilikom registracije, svim korisnicima je inicijalno dodeljena uloga korisnika, pri čemu samo administrator ima prava menjanja uloge. Kada se korisnik registruje, putem mail-a mu se šalje aktivacioni link, preko koga moze da aktivira nalog tek kada klikne na taj link. Svi korisnici imaju unikatan link, sadrzi unikatan identifikator koji je specifičan baš za tog korisnika, kako bi samo oni mogli da aktiviraju svoj nalog. Nakon aktivacije naloga, korisnik se salje na stranicu gde se obavestava da je uspesno aktivirao svoj nalog.

1.2.3 Filtriranje

Izvršena je ajaxom, gde kada korisnik odabere kategoriju, brend ili cenu prikazuju mu se samo isfiltrirani proizvodi.

1.2.4 Sortiranje

Korisnik bira način sortiranja u padajućoj listi i sadržaj se filtrira shodno tome, ova funkcionalnost je uradjena ajax-om.

1.2.5 Pretraga

Pretraga se otvara pritiskom na lupu u glavnom meniju, ova funkcionalnost je realizovana ajax-om.

1.2.6 Paginacija

Inicijalna paginacija koja se ucita sa stranom Shop je uradjena u laravelu, odavirom bilo kog filtrirana paginacija se menja I radi ajax-om sinhronizovano sa filtriranje,sortiranjem I pretragom.

1.2.7 Kontakt strana

Na stranici Contact se moze poslati zeljena zalba ili pohvala administratoru sajta.

1.2.8 Generisanje sadržaja

Ključan sadržaj, kao i neki ostali delovi sajta se generišu dinamički.

1.2.9 Korpa

Ovu funkcionalnost sam realizovao da svaki put kada se dodaje u korpu dohvata se sadrzaj stare ako postoji i pregazi se sa novim sadrzajem. Model Cart nije izveden iz Modela vec je obicna klasa sa poljima items,totalQty i totalPrice pri cemu items prestavlja niz svih proizvoda u korpi.Korisnik ima mogucnost dodavanje i brisanja iz korpe.Samo ulogovani korisnici mogu da kupuju proizvode.

1.2.10 Checkout

Korisnik moze da cekira svoju porudzbenu, ovo je realizovano na istoj strani gde je i korpa. Nakom odobrenja vrsi se upis u tabelu checkout i resetuje se korpa.

Prikaz svih brendova.

2.3.8 Insert brands

The screenshot shows the 'Insert brand' form within the COOL ADMIN dashboard. The dashboard has a dark header with the 'COOL ADMIN' logo and a navigation menu with links: Analytics, Users, Menu, Brands, Categories, Posts, Images, and Actions. On the right of the header is a user profile for 'Nikola Nikolic'. Below the header, a breadcrumb trail reads 'You are here: Home / Insert brand'. The main content area is titled 'Insert brand' and contains a form with a text input field labeled 'Insert name of brand' and a red 'Insert' button. At the bottom of the page, a copyright notice states: 'Copyright © 2018 Colorlib. All rights reserved. Template by Colorlib.'

Forma za dodavanje brendova.

2.3.9 Update brands

The screenshot shows the 'Edit brand' form within the COOL ADMIN dashboard. The dashboard has a dark header with the 'COOL ADMIN' logo and a navigation menu with links: Analytics, Users, Menu, Brands, Categories, Posts, Images, and Actions. On the right of the header is a user profile for 'Nikola Nikolic'. Below the header, a breadcrumb trail reads 'You are here: Home / Edit brand'. The main content area is titled 'Edit brand' and contains a form with a text input field containing the text 'Ashley Furniture' and a red 'Update' button. At the bottom of the page, a copyright notice states: 'Copyright © 2018 Colorlib. All rights reserved. Template by Colorlib.'

Forma za izmenu brendova.

2.3.10 Admin categories

The screenshot shows the 'Categories' page in the COOL ADMIN interface. The top navigation bar includes links for Analytics, Users, Menu, Brands, Categories (active), Posts, Images, and Actions, along with a user profile for Nikola Nikolic. The breadcrumb trail reads 'You are here: Home / Categories'. The main heading is 'Categories'. A green '+ ADD BRAND' button is in the top right. Below it is a table with the header 'NAME OF BRAND'. The table contains five rows: 'sofas', 'shelves', 'armchairs', 'cabinet', and 'desk'. Each row has edit and delete icons on the right. A pagination bar at the bottom shows '1' (selected) and '2'. The footer contains the copyright notice: 'Copyright © 2018 Colorlib. All rights reserved. Template by Colorlib.'
